*Re: Petition of the Cape Light Compact for Certification of its amended Energy
Efficiency Plan for the calendar years 2005 through 2007, D.T.E. 05-34*

Dear Secretary Cottrell:

I'm writing to inform the Department of Telecommunications and Energy (the "Department") that the Board of Selectmen for the Town of Dennis supports the Cape Light Compact's Energy Efficiency Plan ("EEP"), Phase III, 2005-2007 (the "Phase III Plan"). Since the Cape Light Compact's original EEP and EEP Phase II were approved by the Department, the Town of Dennis has experienced substantial benefits from its programs, including (among others) energy audits, incentives and rebates, and installation of **significant energy (and dollars saving) measures** in the Ezra Baker School, the Nathaniel Wixon School, the Dennis Memorial Library, and the newly constructed Dennis Public Library. On behalf of the Town of Dennis, I urge the department to conduct an expeditious review of the Phase III Plan, and to approve the Phase III Plan in its entirety.

Thank you for your consideration in this matter.

Respectfully yours,

Robert Canevazzi
Town Administrator
